Harbor Freeway SR-110 Ramp Closures Scheduled

The California Department of Transportation (Caltrans) is constructing auxiliary lanes and modifying ramps on State Route 110 between 8th Street and the I-10 connectors in the City of Los Angeles.

Construction activities are scheduled nightly Sunday through Friday from 10 p.m. to 5 a.m.

The 3rd and 4th Street westbound off-ramps from the mainline will be closed. Motorists using the 3rd, 4th, 6th and 9th Street distributor road northbound SR-110 are advised to stay to the right.

This project will enhance safety, eliminate weaving and improve merging and traffic flow. Caltrans appreciates your patience and cooperation while we work.

Work is expected to complete in January 2013. If you have additional questions, please contact Marcia Graves at 213 897-7602.
